NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2010

Note A - Organization and Nature of Activities

United Way of Rockland County, Inc. ("UWRC"), organized in 1964, is a tax-exempt, nonprofit organization that administers an annual fund raising campaign in Rockland County, NY and uses those funds to support a variety of human service programs in Rockland County. UWRC is governed by a board of volunteers.

UWRC brings people and resources together in a countywide effort to help local health and human services non-profit organizations provide effective, result oriented programs. In addition to conducting workplace and individual campaigns to raise monetary and gift in kind donations, UWRC mobilizes hundreds of volunteers to participate in community service, supports 2-1-1, a free Information and Referral service to the public, provides technical advice regarding outcome measurement and non-profit best practices, facilitates disaster relief with other non-profit agencies and fosters collaboration through out the non-profit community.

UWRC relies on the generosity of individual, foundation and corporate donors to support operating costs as well as annual funding for program allocations. The majority of revenue is generated throughout the non-profit community.

UWRC is a corporation organized under the laws of New York State. UWRC is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code.

Non-Discrimination Statement

UWRC provides services and gifts in kind to all Health and Human Services not-for-profit organizations throughout Rockland County without regard to race, color, creed, religion, national origin, sex, marital status, disability, sexual orientation or citizenship status.

Note B - Programs

The following programs and supporting services are included in the accompanying financial statements:

Community Impact

UWRC is dedicated to building a strong Rockland Community through the Community Impact Program, which provides critical funding to organizations that provide health and human service initiatives administered throughout Rockland County. These programs allow UWRC to foster independence for seniors, nurture our children and youth, assist people in crisis, strengthen our families, promote health and wellness and enable all citizens of Rockland County to be self sufficient. Resources for the Community Impact Program are totally derived from private donations solicited through workplace campaigns, corporate sponsorships of events or by individuals who give online, donate through a direct mail solicitation, give through stock donations or purchase tickets to support fundraising events.

Additionally, UWRC provides donors the opportunity to designate gifts to particular organizations. The amount of a Community Impact Grant will not be affected by donor choice designations.

Volunteers spend over 550 hours measuring each recipient program's impact on Rockland County as well as ensuring that every dollar is spent appropriately.

Note B – Programs (continued)

Gifts in Kind Program

UWRC facilitates donations from corporations and individuals to any local non-profit organization recognized by the Internal Revenue Service that is located in Rockland County. Items disseminated through the Gifts in Kind Program include technical equipment, furniture, clothing, toiletries, recreational items, medical equipment, books and food.

Day of Caring

UWRC organizes the "Day of Caring", the largest day of community service in the area. This event is held each fall to encourage community members and area businesses to partner with local non-profit organizations for one day. Many companies use this event to reward employees by giving them this day to volunteer and serve our community organizations. This year marks the 16th year that UWRC has organized the Day of Caring. Hundreds of adults from over 20 companies and students from local colleges complete projects at over 30 non-profits for suitable projects as well as all area businesses for people to complete the projects. UWRC matches the volunteers to the projects, recognizes the participating and sponsoring companies throughout the community and holds a special kick-off breakfast at the beginning of the event to educate the participants on the extensive impact that one can have in just one day. The Day of Caring also gives more exposure to UWRC's mission, identifies unmet needs in the community as well as serves as a way for the participating non-profit agencies to highlight their services. Many of the Day of Caring participants continue to volunteer at local non-profit agencies as a result of this event.

2-1-1

In collaboration with all of the United Way organizations in the Hudson Valley Region, UWRC provides the community with a regional calling center that administers a free Information and Referral telephone service utilizing the numbers 2-1-1. This free, confidential and multi-lingual service is now available to every person living or working in Rockland from 8 a.m. to 8 p.m., 7 days a week, 365 days a year. UWRC is responsible for maintaining the Rockland portion of the 211 database.

The 2-1-1 call center includes information for all of the Hudson Valley Region and makes the critical connection between individuals and families in need and the appropriate community-based organizations and government agencies. By making services easier to access, 2-1-1 encourages prevention and fosters self-sufficiency.

Disaster Relief/VOAD – Community Impact Program

UWRC continues to support our community, particularly during times of crisis. When the need arises the UWRC convenes a special group of non-profit agencies within Rockland that were interested in forming a VOAD (Volunteer Organizations Aiding in a Disaster) which is now recognized by County, State and Federal agencies as a partner in providing coordinated support services in the aftermath of a disaster or other crisis in Rockland County, UWRC's additional role is to recruit and help train disaster relief volunteer to work with VOAD agencies.

EFSP – Emergency Food Shelter Program

UWRC has been designated as the official administrator for Emergency Food and Shelter Program ("EFSP") grants for almost two decades. For the year ended June 30, 2010, funds provided under the EFSP grant totaled \$155,367, which was disseminated directly by EFSP to 13 local non-profit agencies to provide emergency food and shelter to Rockland County residents. UWRC convenes a special EFSP allocations committee monitors grant compliance and continually reports back to EFSP throughout the year. Although UWRC administers this program, the related revenue and expenses are not included in the Statement of Activities.

CASH: Creating Assets, Savings and Hope

Coordinated by UWRC, CASH is a free tax preparation and financial/benefit assistance program provided and promoted by local organizations. The free tax preparation is conducted by AARP Tax-Aide certified volunteers to all taxpayers with middle and low incomes, including those who qualify for Earned Income Tax Credit (EITC). United Way volunteers provide information on programs and services offered in the County as well as computer assistance to access the website "myBenefits.ny.gov" to help determine eligibility for a broad range of supports. Employees from Key Bank assist clients interested in purchasing bonds or opening checking/saving accounts. Partners that help with outreach include the County of Rockland, Catholic Community Services, Cornell Cooperative Extension and Family Resource Centers. In 2010 total refunds of \$3,525,000 resulted from this project with \$644,000 of these dollars in EITC refunds.

Note C - Summary of Significant Accounting Policies

Basis of Accounting

UWRC prepares its financial statements using the accrual basis of accounting. UWRC follows accounting principles generally accepted in the United States of America ("U.S. GAAP") which include certain specialized requirements set forth in publications of the Financial Accounting Standards Board.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 8, 2010.

Cash and Cash Equivalents

UWRC considers all highly liquid investments with a maturity of less than three months to be cash equivalents, except for cash maintained in UWRC investment accounts.

Contributions Receivable

Contributions, which include unconditional promises to give, are recognized as revenue in the year received. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

An annual fund raising campaign is conducted throughout the fiscal year to obtain donations and pledges to fund the subsequent year's program allocations and other operations. Accordingly, a receivable is recorded at year-end for outstanding campaign pledges with an allowance for amounts estimated to be uncollectible. Substantially all of the pledges receivable at June 30, 2010 are from corporations and individuals. UWRC maintains reserves for potential uncollectible pledges which, in the aggregate, have not exceeded management's expectations. After two years, uncollected campaign pledges are written off.

Donor designated pledges are accounted for as a liability until dispensed to the designated agency. Those amounts are not accounted for as revenue by UWRC but are reported as part of Campaign Results from which the amounts are then deducted to arrive at Campaign Revenue.

UNITED WAY OF ROCKLAND COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2010
(continued)

Note C - Summary of Significant Accounting Policies (continued)

Restricted Contributions

Contributions are recognized when the donor makes a promise to give to UWRC that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Property and equipment are stated at cost (or fair value, if donated), less accumulated depreciation. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated useful lives. UWRC capitalizes property and equipment with a useful life of two years or more and a cost of \$1,000 or more.

Uncertainty in Income Taxes

Effective July 1, 2009, UWRC adopted FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes ("FIN 48"), which requires recognizing and measuring tax benefits taken or expected to be taken in the calculation of income tax liability resulting from unrelated business activities, and disclosures regarding uncertainties in tax positions. No significant adjustments to the financial statements were required as a result of the implementation of FIN 48.

Comparative Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with UWRC's financial statements for the year ended June 30, 2009 from which the summarized information was derived.

Allocation of Expense

UWRC allocates its expenses on a functional basis among its various programs and supporting services. Expenses which can be identified with a specific program or supporting activity are charged directly to that activity. Other expenses that are common to several functions are allocated among the program and supporting services based on management's estimates.

Reclassification

Certain line items in the June 30, 2009 comparative totals have been reclassified and restated to conform to the June 30, 2010 presentation.

UNITED WAY OF ROCKLAND COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2010
(continued)

Note D - Affiliation and Licensing

UWRC is a member in good standing with the United Way of New York State and the United Way Worldwide ("UWW"). A percentage of revenues is remitted as dues to these agencies.

UWRC is one of 30 United Ways located in the Greater Tri-state area that work together on regional campaigns involving a number of large companies that do business through the area. UWRC receives an allocation from the corporate gifts given to the regional campaigns. The allocation amounts are based on community need and funds raised through restricted designations to UWRC from these companies. The administrator of the allocation formula is now part of a Northeast regional office of United Way Worldwide called the United Ways of the Greater Tri-state area (formerly known as United Way of Tri-state).

Note J - SEFA

The State Employee Federated Appeal (SEFA) campaign is administered by the United Way of Rockland County to provide New York State employees the ability to donate to a federation of non-profit agencies in accordance with Section 335 of the General Services Law. As part of its responsibility to run this campaign, UWRC convenes a local SEFA committee and conducts this campaign separately from its own campaign.

The total amount of funds raised from this campaign is included in gross campaign results on the statement of activities. However, it is then deducted and not included in contribution revenue. The balance of SEFA funds held by UWRC at year end is reflected in cash and SEFA designations payable on the statement of financial position.

Note O - Gift Annuity Agreements

UWRC is the beneficiary under a Gift Annuity Agreement Program (the "Program") administered by UWW. The Program provides for the purchase of Annuity Gift Agreements ("Agreements") which provide for the payment of distributions to the purchaser over the Agreement's term (the purchaser's lifetime). At the end of the Agreement's term, the remaining assets (the "Beneficial Interest") are available for UWRC's use. On an annual basis UWW revalues the projected residual value of amount of the beneficial interest based on actuarial assumptions.

Note P - Line of Credit

UWRC has a \$100,000 unused bank line of credit as at June 30, 2010.
